### ASSISTANT PRINCIPAL'S REPORT

Firstly, a warm thank you for all the lovely welcome backs on my return from leave. It is always heartening to feel part of a close knit community and to be noticeably missed. I have been most fortunate to have had the opportunity to spend time with my daughter and new grandson.

#### Real Schools- Parent Information Night; Adam Voigt

On Tuesday, Adam Voigt, professional learning consultant, spent the day in classrooms working with a number of our teachers and students. He addressed areas such as on task behaviours, problem solving skills, questioning students to elicit greater insights into their understanding, increasing student voice, as well as relationships and resilience.

Staff who were available observed the teaching lessons and we then reflected on the day's sessions at a whole school staff meeting. The professional discussions surrounding student behaviours and wellbeing have greatly assisted staff to build on their Restorative Practices strategies.

The Parent Evening session was extremely well received by the parents and staff who attended. Adam discussed the importance of building a successful school culture, behaviour management being one of them. Gaining meaningful student-teacher-parent relationships contributes to improved student learning outcomes and overall school performance.

Parents can access the Real Schools member's page using the school login details below: [www.realschools.com.au](http://www.realschools.com.au)

#### School Disco

Well, last Saturday the hall was abuzz with very energetic children out for an evening of fun and entertainment with their friends. The new DJ, Joel Kuper, from DJK Entertainment, knew what the crowd liked in music. Gayle Yardley and I would like to thank the Disco committee members Melanie Gordon, Nicky Postan, Talia Solomon, Olivia Sack, Victoria Dinovtser, Kerry Rubin and Romy Pamensky who planned everything so well from delicious pizzas from Anabella Pizza Restaurant, popcorn, water bottles and glow products. The photo booth proved to be a big hit!

### Sausage Sizzle

Thank you again to Steve Feder and his army of volunteers who organised another successful lunchtime sausage sizzle. \$1465.46 was raised on the day. Thank you to Russel's Poultry and Meatsbutcher's for donating 800 free sausages and Gary Peer's impending monetary donation of \$250. This fundraiser will certainly move us closer to the building of the new Sensory garden.

(We believe a few students forgot to bring their money although there was a Tiqbiz push notification on Tuesday afternoon. Good news, there will be a special sausage sizzle later this term!).

### Important Concert News Coming to You

We are fast approaching the evening of our major school performance on Wednesday August 24<sup>th</sup>. I would like to thank all of the parents who have contributed to ensuring that costume requirements are being met. We are looking forward to a most entertaining evening.

You will be receiving a permission form for your child to be transported by bus on Wednesday August 24<sup>th</sup> (during the day), for a rehearsal at Robert Blackwood Hall in preparation for the evening's concert. We ask you to ensure that this form is returned. Please note that there is no money required.

Details will also be emailed as to when to arrive in the evening, where to drop your child off and how to collect your child at the end of the night. (With nearly 500 students it's event management precision!)

## ASTHMA ACTION PLANS

It is a requirement that students suffering from asthma have an Asthma Action Plan at school. Please ensure that your child's

classroom teacher has been supplied with an up to date plan.

Reliever medication and a spacer should also be supplied by parents for your child to use at school. It is a good idea to regularly check the use by date on the medication.

If there have been significant changes to your child's medical condition, for example, no longer asthmatic, please let your classroom teacher and the office know.

**Thank you for your assistance in this matter.**

## SCHOOL ASSEMBLY

### PLEASE NOTE:

There will be **NO School assembly** this Friday due to the Years 3-6 House Athletics.

## Online Communication

Online communication is convenient, relatively easy and immediate. Unfortunately, it is also very difficult to reverse if you have second thoughts about what you've sent. You need to be 100% sure that what you are sending out is something you are not going to regret later – before you send it!

### Think Before You Post!

Spending a few minutes re-reading an email or thinking about the worst that could happen, could save you a lot of heartache later on.

When it comes to posting photos, there is only one person you can trust with your privacy - and that is you! Once you send a photo to another person, it could end up anywhere. If you couldn't cope with it being on the front page of the Herald Sun, it's probably best to hang on to it. Once it's out there, it's there for life.

### Things to Think About Before You Post

Before you hit Send or Upload or Post, stop for a minute and consider the following:

**Think:** If you wouldn't say it to someone's face, don't post it.

**Think:** It's hard to convey your tone of voice online. Comments you thought were funny, or even if you are offering constructive criticism, run the risk of being misinterpreted online. Always read back what you have written before you post it.

**Think:** If you think a friend might be embarrassed by a photo, check with them first before you post it.

**Think:** Police are able to use the content of a website, email account or a mobile phone as evidence in court if it is illegal, so be careful.

Finally, please think about the amount of information you share with strangers. Personal details can be used by unscrupulous individuals to embarrass you, hack in to your bank account or even steal your identity. Print a copy of the attached flyer and hang it near your computer as a cautious reminder to you and your family to **T.H.I.N.K Before You Post**

## SCIENCE TALENT SEARCH 2016

Several CSPA students entered the annual Science Talent Search this year, writing books and making models to demonstrate their scientific creativity. The theme this year was Robots, which proved to be quite challenging! Sophie and Alice (Grade 3) wrote a story called "Find Your Inner Robot" for the Picture Story section, while Jericho (Grade 3) and Bhishek (Grade 6) created working models to demonstrate different aspects of robotics.

At the Judging Day last Saturday, Jericho and Bhishek individually presented their models to a panel of judges and received positive feedback and suggestions for future work. All students have worked really hard to produce fantastic projects, and we are really proud of their dedication and enthusiasm. Final results will be announced in the coming months, with the main Exhibition Day for all prize winners held at the end of October.

## BOOK WEEK AT CSPS

CSPS will be celebrating book week from Monday 29<sup>th</sup> August to Friday 2<sup>nd</sup> September. We have lots of exciting activities planned to celebrate!

On Tuesday August 30<sup>th</sup> author Felice Arena will be speaking to the children. Felice is the author of the Speccy Magee, Andy Roid, Sporty Kids and Stick Dudes books, as well as the picture story book Sally & Dave. Check out <http://www.felicearena.com/> if you're interested in having a look before his visit.

On **Friday September 2<sup>nd</sup>** we will be having a book character parade. Children can dress as their favourite book character and we will present prizes for fabulous costumes at assembly. (Please note that this is the same day as the Father's Day breakfast so it will be an extra special day!)
