PRINCIPAL'S REPORT

CONCERT TERM IS ALL BUT OVER!

Only a few short weeks ago it seems, I was writing about heading into our exciting 'Concert Term' and here we are at the end of what has truly been a wonderful term! The fabulous Julie Hoffman, known to all of CSPS as OUR music teacher, once again ensured a most memorable concert for our students, with music and song to build the great memories that our children and families will take with them for a lifetime. The collage put together by Miss Vicki pays a wonderful tribute to the great show put on by our students. Once again, I thank Julie for her extraordinary work with our children and the way she motivates and encourages them to perform at such a high level. I must also thank our students, teachers and CSPS community for the way everyone always gets right behind this event, ensuring it is a great success.

DRUM CORPS DAFFODIL FESTIVAL KYNETON

On Sunday, my husband and I joined many of the Year 5 and 6 Drum Corps families who made their way to Kyneton to watch our drummers as they performed in the annual Daffodil Festival parade. As always, our Drum Corps, which joined with the Newham PS drummers, brought many smiles to the faces of the spectators lining the street and, again, we were all very proud. I must thank our Drum Master, Sandy Hood, who ensures such wonderful opportunities are given to our drummers. I also extend a very warm "Thank you!" to the parents who support our children so well, enabling them to participate in such terrific events.

YEAR TWO SLEEPOVER

Another exciting event will take place this week for our Year 2 students and teachers (along with a few other teachers who are joining the fun). They are all looking forward with great anticipation, to the sleepover tomorrow night which will then lead them into their last day of term. What an exciting finish to the term it will be! A big thank you to the teachers who are sleeping over at school with our children, enabling this great experience to take place. Have fun everyone! I know I'm looking forward to it!

HAPPY HOLIDAYS

Looking over the multitude of learning opportunities, extra-curricular activities and events that have happened this term, it is no wonder I hear that everyone is ready for the approaching holiday. It is those additional activities initiated by teachers, students, and parents that enrich the strong teaching and learning program at our school and add to the wonderful sense of community and purpose that we are lucky to enjoy at Caulfield South. I believe our community should feel very proud, with a great sense of accomplishment and satisfaction with the achievements. I now wish everyone a relaxing, happy and safe holiday and hope there is much carefree fun to be had with family and friends over the next two weeks, before we return for that important final term of the year.

As this is the last newsletter before Rosh HaShanah, I wish everyone who celebrates this a wonderful New Year!

Warm regards to all,
Gayle

FLOOD WATER WARNING

Dear Parents

As the school holidays are approaching, you may have plans to travel on Victoria's roads. Significant rain is expected to fall over much of Victoria over the next few days, which may result in flooding.

Because of this rainfall, there is an increased risk to those travelling on our roads, and it is possible that houses across the State may be impacted as well.

I urge you to heed the following advice from emergency services:

- You should never drive through floodwater – it only takes about 15 centimetres of water to lose control of your vehicle.
- Drive to the conditions around you and be aware of road hazards such as mud, debris, damaged roads and bridges.
- Roads in your area could be damaged by the bad weather so plan your journey and monitor VicTraffic for road condition updates and any road closures, see: [Vic Traffic](#)
- Never swim, walk or play in floodwater, it is dangerous and may contain hazardous debris or toxins.
- If your property is at risk of flooding, please raise belongings onto tables, benches or beds and if you are on a farm, consider moving your livestock to higher ground.
- Remain informed with emergency broadcasters to ensure you are up-to-date with the latest conditions and if possible, make sure your neighbours are aware of the situation. For more information, see: [Vic Emergency](#)

Many thanks, and have a safe and enjoyable holiday break.

Gayle Yardley
Principal

JEWISH SRI in IN TERM 3

THE STUDENTS THIS PAST TERM CONCENTRATED ON THE THEME OF JEWISH LIVING.

Following from the communal Temple in Jerusalem and its destruction, the development of the Synagogue was discussed and taught. The children learned to identify the different symbols in the Synagogue; a few being a Sefer Torah, Menorah, Bima. They sighted pictures of Synagogues in different parts of the world from the most beautiful grandiose ones in Europe, USA and Australia to the simple ones in Ethiopia and Uganda. They learned to identify the similarities in all of them.

Students also explored the special symbols worn by Jewish men, the Kipa, Talit and Tefillin. This was followed by the Jewish symbols in the Jewish home, among them, the Mezuzah on the doors and candlesticks.

In conclusion of the term, the students were treated to a special incursion by the Shofar Factory, made their own shofar and heard the Shofar blown in preparation for Rosh Hashana, the Jewish New Year. They made New Year cards and received apples with honeysticks for a sweet new year.

Please encourage your child to attend the once weekly class regularly. If your child is withdrawn please inform us of the reason so we can improve our program.

Thank you.
