PRINCIPAL'S REPORT

FAREWELL AND GOOD LUCK MRS EVANS!

Mrs Joy Evans, who has been a most valued member of Caulfield South PS for 23 years actually resigned in 2014 but has been employed consistently on short-term contracts at CSPS since that time. Joy's current contract ends on the last day of this term and for the first time will not be coming back on another new contract, although Joy will be doing some 'relief' teaching to enable long service leave for one of our teachers later in the term. I know our school community will join me in thanking Joy Evans for her significant contribution to State Education since 1981 and I hope to see her back at CSPS in further contract positions in the future. It is important at this time, however, to acknowledge a dedicated and influential career and wish Joy the very best during this next stage of life, knowing that although this may include further teaching contracts, there will definitely also be much travel on the horizon! Thank you and best wishes Mrs Evans, from our current and past CSPS community!

WORKING BEE YEAR 1 AND YEAR 6 FAMILIES

There are many opportunities for families to support our school and one of these opportunities is the working bee. Families help in many ways and there is no expectation to participate in every event but the following people certainly worked very hard to achieve a great deal in maintaining our grounds on Sunday 19th March. It was a very warm day but that didn't deter our workers who spread soft-fall in the junior and senior play areas and mulch in the front garden. They also did many other tasks to maintain our grounds and collected Council mulch for the composting program, which was much appreciated by our Green Machine. It certainly warmed my heart to see the energy and goodwill of everyone involved! And we all enjoyed the barbecued sausages and drinks that were our welcome reward! A huge "Thank you!" to all the following parents and students for their terrific efforts:

Parents

Simon Howe, Chris Meehan, Dorota Taubman, Elaine Targett, Lubana Squire, Boris Zaslavsky, Amanda Gray, Josh & Nikki Gelfand, Mario Saccoccia, Emma Cordon, Simon Kooloos, Shira Roth-Duvdevani

We are very lucky that our 'Maintenance Man' Joe did a fabulous job of organising the materials, tools and people on the day to ensure such a successful working bee. The results of this were on show for us all to appreciate around the grounds and in the front garden of the school, when everyone walked in on the Monday morning. Joe began working with us mid-way through last year and has now met many of our children and parents. He has certainly taken CSPPS to heart and goes over and above the expectations of the role for which we are all very grateful. He does a great job with the general maintenance of our buildings as well as the grounds. Please say "Hello" to Joe if you see him working around our school. Thank you from us all, Joe!

IMPORTANT PARENT INFORMATION SESSION

Please save the date of Tuesday May 16th at 7.30pm for the very important Parent Information Night, 'Building a Resilient Child', which is being presented by Adam Voigt. The session last year with Adam was extremely well received by those parents who attended. It is crucial that we get as many parents along as we possibly can to ensure we are all using the same language with our children who then receive a consistent message from home and school. Please see details in this newsletter. A reminder to those who came last year of their pledge to bring at least one additional person this year! We look forward to seeing many parents as well as staff.

SCHOOL COUNCIL 2017

The new 2017 School Council met for the first time this month. I would like to extend my heartfelt thanks to those parents and teachers who have taken on this volunteer role this year. Our school relies heavily on the parents and teachers who make a big contribution to our school. I extend my thanks to all our School Council members for putting themselves forward to contribute the time and effort that the role of School Council member requires. Our parent members are: Olivia Sack (President), Eli Staub (Treasurer), Rosy Renwick, Christine Cananzi, Sarah Tinkler, Melanie Gordon, Yoel Mittelberg, Nicky Postan and Peter Wilkins. Teacher members are Andy McKibbin (secretary), Gill Bartholomeusz, Bronwyn Fensham, David MacKay and I am the department's representative. I appreciate the commitment shown by everyone to CSPPS; both parents and teachers and I wish you all a very successful year.

ICY POLE "THANK YOU"

Our students have most certainly appreciated the deliciously cold icy poles on Fridays at lunchtime, especially with the extended hot weather this year. I would like to thank our two new Prep parents, Chris Meier and Tamara Bryan who did all the work for the icy pole days, including ordering, counting and distributing them into the hot little hands of our children! This has been a wonderful fundraiser

totalling \$1395, which will go towards the continued efforts to improve the outdoor play environment for our children. A big "Thank you" to both of these parents for their great efforts!

REMINDER –TERM 2 MEANS MONDAY ASSEMBLY

Please note that due to Term 2 sport commitments, we will have our whole school assembly on a Monday afternoon at approximately 3.00pm in the hall.

TERM ONE CELEBRATIONS

Everyone seems to be saying that this has been a very quick but very busy term! Scanning the newsletter reports or the Term Calendar will remind anyone of the number of events held in this short term. Thank you to everyone who initiated, worked on or participated in any of the activities and events that helped to set our school up for a positive and productive year of learning for our children. The collaboration between parents, students and teachers is just so important to get the culture right for optimal learning.

THANK YOU TO OUR YEAR 6 LEADERS

Our first group of Year 6 Leaders got us off on a great start leading our school in so many ways, from the visible role they perform at our weekly assemblies, their mentoring role in the classroom across the school and the positive role models they have been on a daily basis. Parents of these children should be very proud. Thank you to the students for the work they have done to get our year off to such a positive start!

HAPPY HOLIDAYS

I hope the children rest up well after a hardworking term with much learning along with the many extra-curricular activities enjoyed in Term One. Thank you to our teachers for their dedication to our students and the efforts put into providing such engaging learning opportunities for them.

I wish everyone a safe and relaxing break so everyone returns with much enthusiasm for their learning in the term ahead. To all those who celebrate Easter, I hope it is a wonderful family time to finish the holiday period.

I will then look forward to seeing everyone again in Term 2!

**Happy holidays everyone,
Gayle**

IMAGINATION Excursion

On Monday the 27th of March the House Captains, Vice Captains and the Junior School Council in Year 6, represented C.S.P.S at

the IMAGINATION youth leadership event. This event took place at the Melbourne Convention and Exhibition Centre in the city.

At this event we listened to 6 inspirational speakers who shared their amazing stories about leadership in their lives. They taught us about how we can be leaders and have a positive effect in our community.

There were about 4000 students, teachers and parent helpers at this occasion that all sat in a massive auditorium and listened to each speaker share their stories. These speakers included Sam Skinner (The CEO of Halogen which started the IMAGINATION), Judith Graley (the Parliamentary Secretary for Education), Anirudh Kathirvel (the first winner of the Great Australian Spelling Bee), Jade Hameister (she was the first 14 year old to ski to the North Pole), Matt Cosgrove (author) and Josh Richards (he is a part of the top 100 people that might be selected to live on Mars). Thank you to Ms Fensham for taking us to this wonderful occasion.

WORKING BEE YEARS 1 & 6 : SUNDAY 19TH MARCH 2017

**CAULFIELD SOUTH PYP EVALUATION-
GIVE US YOUR THOUGHTS!**

We are currently looking for interested parents and community members to help us go through a PYP Evaluation from the International Baccalaureate this year. Evaluations are held every five years, in order to assist schools to identify areas of the Primary Years Programme in which they are excelling, and also to outline how the school might continue to improve in the delivery of a high quality education. A key part of this Evaluation is the completion of a period of self-study, in which students and parents can play a vital role by contributing their perspective to the discussion. If you are interested in being part of the PYP Evaluation, and you can be available to attend one or two meetings during Term Two, please get in touch with the school office to register your interest. We will endeavour to schedule meetings at the most convenient time available for those who express interest.

Warm regards,
Andy McKibbin and Andy Stefaniak
PYP Coordinators.

GET ACTIVE AND WIN WITH PREMIER'S ACTIVE APRIL

Calling all students and teachers – it's time to get on board with Premier's Active April, an exciting and fun way to get active, stay healthy, and enjoy time with family and friends. Not to mention to WIN some awesome prizes for yourself and the school.

Premier's Active April encourages all Victorians to commit to doing 30 minutes of physical activity a day during April. It's free, it's fun and it's part of the Victorian Government's commitment to get more people active and healthy.

Anyone can participate in Active April – friends, students, families, workmates or individuals, and it's FREE. Register today via the Active April website www.activeapril.vic.gov.au. Look for the dedicated schools page, follow the step-by-step instructions and download awesome school resources to help get students involved. You can create and join teams and compare the progress of team members for some friendly competition! Registrations are now open and will stay open until 30 April 2017.

Make sure you nominate your school when you register as a teacher or student and you'll increase your school's chance of winning one of the many fantastic prizes! There are Sportsmart vouchers, sports clinics with high-profile athletes, and the most active school will win a \$2000 Sportsmart voucher! The more students and teachers who register, the more chances your school has to win.

Plus, this year you can track your activity on the go and compare your progress with the brand new mobile app for iOS and Android with a digital card to access all the free Active April benefits and an updated Trophy Cabinet for when you meet activity goals.

Just by registering every participant will receive*:

- 10 free [YMCA](#) passes or access to a local government recreation facility
- 15% off at [Sportsmart](#) in store and online
- one hour free tennis court hire at Melbourne Park or Albert Reserve
- one free [Get into Cardio Tennis](#) session
- 20% off any annual membership with [Cycling Victoria](#)
- a 2 for 1 ticket offer to [SEA LIFE Melbourne Aquarium](#)
- entry into the draw to win tickets to the 2018 Australian Tennis Open Finals[^], a \$1,500 bike voucher or a GoPro Camera

Join Active April on Facebook, Twitter or Instagram to increase your chances of winning more great prizes. You'll be kept up-to-date on all the latest Active April news and events, meet the Active April ambassadors, receive weekly recipes plus loads of handy health, exercise and nutrition advice.

So what are you waiting for? Register today at www.activeapril.vic.gov.au

Once registered families can join Mr Gibson's team by clicking on the teams section & scrolling down to Team ID. Enter csps.

*Terms and conditions for all prizes and offers apply. Visit activeapril.vic.gov.au for details. [^] Winner receives two tickets to each of the 2018 men's and women's finals.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS – CSEF PAYMENTS

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

WALKATHON

The C.S.P.S Walkathon will be held in the second week of Term 2, on Wednesday 26th April 2017.

Forms will be sent home from school at the end of this week for the children to start asking friends and families for donations or sponsorship for their walking efforts.

Payments may be made in cash or via Qkr. **(Please note: All sponsorship forms must be returned to the office for both Qkr and Cash payments)**

The kids all thoroughly enjoy this event every year but its success does rely on many parents' involvement on the day to ensure the event is fun, but most importantly, safe for all our students.

Volunteers will be required from approximately 9:15am till 11am and have various roles including walking with the younger children (preps to year 2), stamping the student's wristbands for every lap they do, or standing at various points on the route, to ensure kids are safe (and encouraged to keep going!).

To Volunteer, go to www.schoolinterviews.com.au, enter the code f6vg2 and select your preferred job for the day (see below). The system is now open and accepting bookings so please get in quick to avoid missing out.

Thank you,

Parent Information Night, 'Building a Resilient Child', with Adam Voigt Tuesday May 16th at 7.30pm

Information for Parents about Restorative Practices (RP) at CSPA

Our school is a 'Restorative Practices' School. As educators, it is our role to create supportive school communities where students can thrive and learn the academic, social, and emotional skills that they need to succeed in school, career and life! Using 'RP' provides a way for schools to strengthen community, build relationships amongst students and between students and staff, and increase the safety and productivity of the learning environment. We've been watching what's been happening in the world of education when it comes to creating a strong school culture, to building effective relationships, to resolving conflict and to improving student behaviour and bullying. The bottom line is that we think RP is a better way.

On Monday March 20th (our Pupil Free Day) staff, integration aides and our school first aid officer, worked alongside Adam Voigt, Founder & Director of Real Schools & Real Learners. Throughout the day, discussions focused on key areas regarding RP:

- ✓ Improve school and classroom climates by focusing on community, relationships and responsibility.
- ✓ Promote social and emotional skill development by teaching students self-awareness, empathy, communication skills, responsible decision-making, relationship building, and conflict resolution.
- ✓ Increase safety and order in the school environment by decreasing conflict, de-escalating volatile situations, and promoting a sense of collective responsibility.
- ✓ Decrease disciplinary issues and disruptions, and serve as an alternate to harmful exclusionary practices such as suspension and expulsion.
- ✓ Promote student engagement in learning and aid in classroom management.

Working restoratively is really all about asking the right questions of students when things go wrong. You see, most approaches have us focusing everything in the past. It really doesn't get us very far because we never get to the present or the future.

Put simply, we ask your children questions like:

- What happened?
- How has that made people feel?
- And what action needs to be taken to make that better?

It's all about teaching responsibility for your actions and knowing that nobody is going to do it for you. Our job is to help children do just that... better and better and better!

There's a LOT more to Restorative Practices and CSPA is going to ensure you find out all of it. Our ongoing Partnership with Real Schools is supporting and providing further resources to make this change and you have access to all the resources too. Just head to the Member Login tab at www.realschools.com.au and use the login/password caulfieldsp to have a look at all that we're working on at school.

Please save the date of Tuesday May 16th at 7.30pm for the Parent Information Night, 'Building a Resilient Child', with Adam Voigt. Entertaining, thought provoking and providing consistent approaches for home and school. (See Flyer on next page) Book online following the instructions below:

Australian Parents are uniquely aware of two things when it comes to Resilience. Firstly, they know that building a strong, resourceful young person is at the centre of parental responsibility. And secondly, we have a bit of a problem with Australian kids and their ability to overcome obstacles and to persist through difficulty - it's about picking ourselves up, dusting ourselves off and getting back on with the job. There are challenges ahead of our children too. Pressure to perform, bullying, media marketing and peer groups are on the horizon. We'd like to help get you get your child ready for these challenges.

What you can expect from our Parent Information Session:

- Information on how your school is building resilience and preventing bullying.
- Strategies that both parents and schools can use together that best develop resilient young people.
- Deep knowledge of how we are using Restorative Practices to build a strong, relational culture around our school.
- Critical information on how the home environment can contribute best to building a confident, respectful child.

Rubbish free, healthy lunchbox ideas

Presenter: My Wholefood Romance's Meg Thompson

It is estimated that each school child is responsible for creating more than 30kg of waste from their lunchbox each year.

We can help reduce the amount of packaging sent to landfill using reusable packaging, buying in bulk and choosing healthy food options as many come in their own packaging!

This interactive session will offer great recipe ideas and tips to help prepare rubbish free, healthy lunches for children, including take home recipes and samples to taste on the night.

Meg is a qualified naturopath, nutritionist, health writer and natural health lecturer. Her passion for wholefood, cooking and using food as medicine led her to create My Wholefood Romance as a means of inspiring others to fall in love with home cooking and the benefits of wholefood.
