### PRINCIPAL'S REPORT

#### HOUSE ATHLETICS

Last Friday's House Athletics Carnival was a first for Mr Wink in one major way; it was the first time he was responsible for the organisation of this event as our PE/Sport coordinator, although he has enjoyed many such days as a class teacher. I know the work around organising such an event and the worry about the weather etc, so it was lovely to see the hard work paid off with a most successful, fun day! I'm sure the enthusiasm and team spirit demonstrated by the children on the day is extremely heart-warming for the educational staff at our school and parents alike. At CSPS, we know the importance of the social and emotional wellbeing of students, and days such as this are a terrific opportunity for teachers to observe and gage how our children are faring. Congratulations to our House Captains in leading the development and production of fabulous House chants that resulted in a win to Mitchell House. A big thank you Mr Wink and to those parents who supported our children in assisting on the day. It's great to see our school community come together in such a team effort

#### PARENT OPINION – OPPORTUNITIES TO GIVE YOUR FEEDBACK

I encourage parents and carers to read about our PYP survey in an article in this newsletter by our two PYP coordinators, Andy S and Andy Mc. This highlights the importance of receiving parent feedback and I thank all those who took the time to give their opinions. Our DET parent survey is also currently open to randomly selected parents and I encourage all parents who received the link to this survey, to complete it. Your feedback can really help us to think mindfully about school priorities and directions while we are reviewing and evaluating our progress and planning for 2018. I encourage parents to take the opportunity to influence our planning decisions.

#### BOOK WEEK

I hope everyone has been thinking about and putting together their costumes for Friday's Book Parade. I look forward to seeing the creative ideas in this year parade when we continue to celebrate reading and book characters!

#### YEAR 6 EXHIBITION

I have enjoyed working with my Year 6 students as they prepare for the final exhibition of their primary years learning. The Year 6 Exhibition is an important part of our PYP programme and I encourage our whole community to support the Year 6 students when they open the exhibition to the school and wider community on 5<sup>th</sup> September from 4 to 6.30pm.

#### CALLING PARENT HELPERS

Our school is very lucky to have so many parents who work very hard to support our children, by organizing many school events throughout the year. I encourage parents to see the notices about our upcoming Father's Day events in this newsletter and ask everyone to consider helping with those. And remember to book dad or that special person in your child's life, into the breakfast. This is always a very popular event and we look forward to children bringing their special guest for breakfast!

#### ANNUAL REPORT TO SCHOOL COMMUNITY

I remind parents and carers that the Annual Report for the previous school year is posted on our school website and parents are invited to attend the School Council Meeting at 6pm next Wednesday when the Annual Report will be presented.

Warm regards,  
Gayle

## PARENT OPINION SURVEY 2017 - REMINDER

### WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an anonymous, annual survey provided by the Department of Education and Training that is conducted amongst a sample of 30% (approximately 140) of randomly-selected parents at each school. These parents will have received an email on Monday 7<sup>th</sup> August and a reminder on Monday 21<sup>st</sup> August and I encourage anyone who has received the email, to please take the 15 minutes required to complete the survey.

***Thank you to those families who have already completed this important parent survey, in which you have been randomly selected to participate, in the 2017.***

The survey is designed to assist our school in gaining an understanding of parents' perception of school climate, student engagement and relationships with our parent community. Every year, our school uses the survey results to help inform and direct future school planning and improvement strategies.

Parents who received the email will have access to the survey until Sunday 27<sup>th</sup> August.

The survey results will be reported back to our school at the end of September and these will be reported to the school community through the Annual School Report and also discussed at School Council. Recent survey results influenced the changes to our communication systems at school, our parent information sessions and providing parent education evening sessions such as the Resilience session with Adam Voigt.

For further information about the survey, you may visit:  
<http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyparent.aspx>

Thank you for taking the time to complete this survey. Gayle

## SCHOOL TOUR - PROSPECTIVE PARENTS

10:00am – 11:00am - Tue Sep 5

## CAULFIELD SOUTH PYP EVALUATION PARENT SURVEY RESULTS

Caulfield South Primary School would like to pass on a very big thank you to all those families who took the time to complete our recent parent survey as part of our Primary Years Programme (PYP) Evaluation. In all we had 108 different responses to the survey and we are busily analysing the results so that we can use this information to assist us with planning.

We were very happy to find that the parents of CSPS students recognise and value the standard of teaching and learning that we offer, with around 90% positive responses in this area. A similar number of parents expressed positive responses to questions regarding their child's engagement in learning, their child's awareness of their strengths and weaknesses as a learner, and the school's preparation of their children to take meaningful action in the world. It was also very pleasing to hear that over 90% of parents feel that the school's physical environment and access to digital technologies encourage rich learning experiences. We aim to provide a quality education that prepares students for the challenges of the 21<sup>st</sup> century and it was very affirming to hear that so many of you agreed with us that we are performing strongly in these areas.

We have also identified some areas in which to improve. Around 30% of families indicated that we could improve our communication regarding the range of assessment strategies that support learning at CSPS and close to 20% of families indicated that they felt that we could improve our effectiveness communicating what we are learning about at school. With regard to the PYP, around a third of respondents indicated that they have little or no idea what the PYP Learner Profile is, and a similar number said that they didn't understand what it means to be a PYP school. All of these responses indicate to us that our communication is an area for improvement and we are currently looking at how we might continue to do this better.

Strong schools use feedback to inform their future goal setting and we are very grateful for the feedback that you have given us through this survey. Your views are important to us and we thank you for sharing them.

We also promised a gift card to one lucky respondent, as a small token of our gratitude. A \$100 gift voucher will be drawn this week, during the school assembly on Friday. Good luck!

**Andy McKibbin and Andy Stefaniak**  
**PYP Coordinators.**

## BOOK WEEK AT CSPS

CSPS will be celebrating book week from **Wednesday 16<sup>th</sup> August to Friday 25<sup>th</sup> August**. We have lots of exciting activities planned to celebrate books!

On **Wednesday August 16<sup>th</sup>** Perform Education Musicals will be bringing their show 'Super Duper' to C.S.P.S. The show features many of the 2017 shortlisted Children's Book Council of Australia books. No permission form is required for this incursion and payment is taken from the excursion levy paid at the beginning of the year.

On **Friday August 25<sup>th</sup>** we will be having a **book character parade**. Children can dress as their favourite book character and we will present prizes for fabulous, creative costumes at assembly.

Finally, we will be holding a four week reading challenge beginning on Monday August 14<sup>th</sup> and finishing on Friday September 8<sup>th</sup>. See information from Mr Rice below in this newsletter.

CSPS staff will also be sharing their favourite picture storybooks with children at lunchtimes and children will be using and responding to the CBCA shortlisted books in Art classes. You can view the 2017 short listed books at <http://www.cbca.org.au/>

*Looking forward to a wonderful  
Book Week!*

English Curriculum Coordinator

## FUNDRAISING FOR NEW LIBRARY BOOKS

**WHO:** Ali, Zara, Alice and Monika from Year 4

**WHERE:** Orange shelter

**WHEN:** Thursday 24th and Friday 25th of August at lunchtimes and after school

**WHAT and WHY:** For book week we are doing some fundraising. We are going to put the money towards some new library books for the school. To do this, we are going to do henna tattoos, sell some friendship bracelets, necklaces, and some key rings.

**(henna)**

The henna will be \$1-3 and the friendship bracelets will be \$1 for 2 bracelets. Also the key rings will be \$1 the necklaces will be \$1 as well.

## CAULFIELD SOUTH PRIMARY SCHOOL READING CHALLENGE

During Term 3 our school will be running its very own reading challenge. This will coincide with Book Week and is an exciting opportunity for students to collectively engage in reading activities across the entire school.

The aims of the challenge are to engage students in reading widely, to develop a love of books and at the same time improve our children's literacy skills. We encourage students to read a range of fiction and non-fiction books of their choice.

The challenge will run for approximately four weeks and students can create their own challenge by setting a target for the number of books they hope to read. We encourage students to negotiate this goal with parents or teachers, to ensure it is a realistic challenge. This is a bit different from having a fixed number of books and enables students to set a realistic, personal goal that they can work towards at their own pace.

Each student will be provided with a record card so they can keep track of the books they have read. Parents or teachers should authorise books that have been read by signing the record card entries.

At the end of the challenge students who have met or exceeded their goals will go into a draw for a book prize. Teachers will collect the student record cards and determine two winners from each class. Certificates will be presented to all students who participate and special certificates will be given to those students who achieve or exceed their target number of books.

The reading challenge is not compulsory but we look forward to seeing as many students as possible (with parent and teacher encouragement) joining in and trying their very best to aim high and read lots of books.

Happy reading,  
John Rice – Reading Challenge Coordinator

Caulfield South Primary School is excited to be taking part in Woolworths Earn & Learn program again this year.

Last campaign, we were able to purchase some great resources through Modern Teaching Aids with the points we earned, thanks to you. We are hoping to earn even more points this year with your support.

**POINTS TALLY: 6,420**

**Thank you for the great support so far.  
Our points target for this year is 20,000 points  
so we are well on the way!**

From July 26<sup>th</sup> until September 19<sup>th</sup> 2017, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker card.

**Once it is completed, simply bring it back here to school and place it in the box located outside the school office.**

The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program, and we'd like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at School or visit the Woolworths website [www.woolworths.com.au/earnandlearn](http://www.woolworths.com.au/earnandlearn)

## HOUSE ATHLETICS

Last Friday students from Grade 3 to Grade 6 made their way to Duncan McKinnon to participate in our annual House Athletics Carnival. Despite ongoing concerns about the weather forecast (mainly by the new P.E. teacher) the day turned out to be perfect i.e it didn't rain!!!! Students spent the day competing in a variety of running, jumping and throwing events capped off by some exciting senior relay races.

**We now eagerly await Friday's school assembly to announce the house winners!**

*A huge thank you to the many parents who assisted on the day as well as the many teachers for making the day run so smoothly.*

## **CYBER BULLYING**

Most kids really are kind to each other online, but there is a minority using digital technology to harass and intimidate others. Bullying thrives on digital media because it can be done remotely and often anonymously – giving bullies a reduced sense of the harm they're causing.

Cyberbullying can also be harder to avoid than traditional bullying, with no relief offered by the school bell. No single response will stop bullying but knowing how to support your child can assist.

To read more about how you can help in this area, we encourage you to click on the resource below.
