ACTING PRINCIPAL'S REPORT- ANDY McKIBBIN

What does a principal actually do?

Well my sincere thanks go to the many students who have given me kind and thoughtful suggestions of principally things that I can do to act like a principal during Mrs Bartholomeusz' and Ms Yardley's long service leave. "Wear glasses", "talk on the phone" and "smile at people in the playground" were some of the recent suggestions. With a few more ideas I think I might just have this gig figured out.

I would also like to thank the many teachers and administration staff who have been so supportive and patient as Andy Stefaniak and I try to keep on top of everything over the last week and a half. Even with both Gayle and Gill still doing an awful lot of work in the background while they are on leave, we have both been kept very busy by the huge job that our Principal and Assistant Principal do for our school. Their large workload is a big part of why Caulfield South PS is such an exciting and successful school. It will be wonderful to have them both back to work at the start of next week.

3-6 Swimming

The swimming program has now concluded for Years 3-6 students, after three weeks of packing swimming bags, jumping on and off buses, looking after numerous personal items whilst moving from place to place and getting changed, and all of the other personal organisation challenges that the annual swimming program presents to our students. I have received a great deal of positive feedback from the teachers and students regarding the program this year. This activity only happens as a result of an enormous amount of organisation done by Mr John Wink, our Phys Ed teacher. So my thanks go to him for all the hard work that he put in to make everything run so smoothly. We are also thankful to the swim school staff at GESAC for the professional swim school program they run for our 3-6 students.

Learner Agency

This year at Caulfield South Primary, our teachers are pursuing professional learning in the area of Learner Agency. Put simply, learners with agency are active in their own learning and have voice, choice and ownership as learners. They are involved in decisions about what, where, when, with whom and how they learn (voice and choice). They also develop personal and academic development goals and reflect on their progress toward these goals (ownership). Teacher and peer feedback plays a crucial part in assisting learners to reflect on and improve their learning. An important step in the development of agency is that learners are challenged and that they are given the opportunity to struggle with this challenge, developing a "can do" attitude when they experience success.

Recently, our teachers have been working on developing strategies to improve how we give meaningful, targeted and accessible feedback to students- gone are the days of writing "well done" and putting a tick at the bottom of a page of work!

Our goal is to develop young people who know what they are learning, can articulate their personal learning goals, listen and respond to feedback and feel confident enough to challenge themselves- knowing that often failure is found on the pathway to success.

More information about learner agency can be found at the following link:

Attendance Notifications

The Education Department has changed its guidelines regarding the expectations for schools investigating unexplained absences. As of Term 2 this year, it will be mandatory that all absences are approved on the day the absence occurs. This initiative aims to improve both student safety and educational outcomes. CSPS has started recording student absences using computer software called Sentral. As of Term 2, the Sentral software will automatically email the families of all students with unexplained absences, with a request to explain the absence. Explanations can be made by replying to the email, or using the Flexibuzz app. As these emails will be sent using an automated system, it is imperative that your contact details are current, so please email the school if your details need updating. Given that this is a brand new system, we do anticipate some initial teething problems and appreciate your patience as we iron out the flaws.

Further information is available on the department website at:

Bake Sale

Dear Parents and Guardians at C.S.P.S,

On Monday the 19th we will be holding a bake sale at lunch time and after school to raise money for new music supplies. Could all parents please make sure that their child is aware of all their allergies because we aren't fully aware of everyone's allergies. We will have ingredients lists for all items and will double check by asking about allergies when people purchase. There will be cookies, cupcakes, gingerbread and lots more treats for everyone to enjoy! The treats will be from \$1 - \$5. We hope you come visit us after school or during lunch under the orange shelter!

- **If you would like to help us by bringing something, that would be great but just remember to write the ingredients that you used thankyou!!**

Thank you

Peacemakers Report

Wow! We've had such a great start to the year with our committed Peacemakers team out in the yard helping other students. We had a Peacemaker training day on Tuesday the 27/2 and learnt all about what to do when there's a problem with the students outside. We learnt all about why it's important to be good role models and why helping out students figure out their own solutions is important. Since then, we've been giving up half of one lunch time per week to work as Peacemakers- it's been very rewarding so far. Our aim is to make a happy, healthy and respectful school community and to make sure everyone has an enjoyable experience at school.

ITALIAN NEWS

Buongiorno/buonasera (Good day/good evening).

Our school recently purchased a site licence to a Languages program called LINGUASCOPE. All students will be given a Username and a Password. They will be able to log into this program, in order to further develop their language skills in Italian.

This program may also be used at home. In addition to Italian, it includes several other languages, all of which may be accessed using the same Username and Password. I encourage all students, as well as their parents, to access this program in their own time in order to gain the most benefit from it. I look forward to positive and improved results.

Buon divertimento! (Enjoy!)

Junior School Council Report

On Monday last week, the Junior School Council met and discussed what we could do with the playground rocks to make sure that people use them more sensibly when they are playing. Some of the ideas that we came up with were to have some students supervising the people playing with the rocks and to create playground posters that suggest activities that you can do with the rocks that are fun, safe and creative. We are currently working on making the posters and we will have them ready to put up in the playground very soon. We are really happy to have this responsibility and feel very committed to ensuring that we make a positive difference for the kids in the playground.

District Swimming Carnival

Our District swimmers did a tremendous job on Friday March 2 at Carnegie Swim Centre with good individual & relay performances. We placed 5th overall.

A special mention goes to Zac G & Mikaela B for their 1st places & progressing to the Division carnival today. Zac competing in freestyle and butterfly and Mikaela in backstroke. We wish both of you all the best!!!

FINANCIAL ASSISTANCE**INFORMATION FOR PARENTS – CSEF PAYMENTS**

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

FIRST MEETING OF 2018!

Last Wednesday Green Machine had their first meeting of 2018! We had loads of fun allocating our barrels and thinking about what we can do to help improve our school's sustainability practice.

This was extra special because this was Miss Tarrant's first time being head of Green Machine, with Miss Fallon as co-captain!

All of the Greenies can't wait to help each other plant lettuce, spinach, flowers, succulents, spring onion, fennel and lots of other gorgeous plants!!! We look forward to watering them and watching them grow to their best!!! Please remember, if you touch them and take them out they will not grow, so please treat them kindly. Once they grow we will be selling them for everyone to enjoy!

A super big thanks to Miss Tarrant and Miss Fallon for helping our awesome Green Machine have their best year ever!

Thanks, and remember stay GREEN!!!

The C.S.P.S Parents Association (PA) are a **friendly group of parents** who work together to run school events throughout the year. These events aim to **bring the school community together**, as well as raise valuable funds which are used to improve our school.

Thank you to everyone who helped out in 2017 and who made the effort to complete the school PA survey last year. We are taking into account all the feedback, and appreciate the offers of assistance for 2018.

Now is the time to officially **register your interest online via School interviews** for the events you wish to be involved with. Why not **bring a friend** too - it's a great way to meet other parents and **contribute** to the school in a way that is **meaningful and fun!***Please note, a request for volunteers for the day of the events will be sent out separately via School interviews closer to the event dates (if the organising team require more helpers).

Please join us at Fress for a casual cuppa for our new event, **"Coffee Connect"** to come meet other C.S.P.S parents after drop off on the first Friday of every month

In 2017, our fundraising efforts resulted in the **beautiful new bamboo garden** which our kids are all enjoying already. In 2018 the **children's bathrooms will be renovated** too- thanks to our hard work. In 2018... funds raised will go towards ... Junior School Council, Green Machine, the facilities Committee and School Council will determine which project will be addressed next - so watch this space!

We need **parents from our school community** to **join** in to help organise these valuable events to ensure we can run all these events for our children and families. All new volunteers will be welcomed into a **supportive organising team** for each event - so you'll have **fun** working with others and can contribute as much or as little as you like.

2018 has many great events planned....

Sun Smart

Hats On until the end of April 2018! NO HAT, NO PLAY

Now the UV Index levels are getting higher, our students will take sun protection measures whenever they are outdoors. The sun protection measures listed below are used for all outdoor activities during the daily local sun protection times

Slap on a hat

All students are required to wear a school hat that protect their face, neck and ears (legionnaire or broad-brimmed), whenever they are outside. These may be purchased from the PSW Uniform Shop in North Rd, Ormond. Peak caps and visors are not considered a suitable alternative.

Slop on sunscreen

Students must provide their own SPF30 (or higher) broad-spectrum, water-resistant sunscreen. The classrooms will supply a generic SPF30 (or higher) broad- spectrum, water-resistant sunscreen for students' use if they do not have their own.

SUNSMART POLICY

To assist with the implementation of the SunSmart policy (which can be found on our Website under School Policies), we encourage you to access the daily local sun protection times via the SunSmart widget on the school's website (located near the school address footer on the website), the free SunSmart app or at sunsmart.com.au

5 ways to protect yourself

- Slip** on sun-protective clothing
- Slop** on SPF30+ sunscreen. Reapply every 2 hours
- Slap** on a broad brimmed hat
- Seek** shade

UV Index

11+	Extreme
8,9,10	Very High
6,7	High
3,4,5	Moderate
1,2	Low

Sun protection is generally not needed unless outside for extended periods
