Purpose:

To explain to our school community the Department's and Caulfield South Primary School's policy requirements and expectations relating to students using mobile phones and smartwatches during school hours.

Scope:

This policy applies to:

All students at Caulfield South Primary School (CSPS)

Definitions:

A mobile phone refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

Implementation:

CSPS understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At C.S.P.S:

- Students who choose to bring mobile phones to school must have them switched off, handed over to the teacher each morning for safe storage during school hours. Mobile devices may be collected by the owner at the end of the school day.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at CSPS during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at CSPS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Caulfield South Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Personal Goods policy](#).

Where students bring a mobile phone to school, CSPS will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At CSPS students are required to store their phones in storage unit a lockable area (i.e. cupboard/ office/ filing cabinet).
