

## The CSPS Drum Corps on ANZAC Day 2020

ANZAC Day remembrance for our CSPS Drum Corps this year was very different from previous years, as we weren't able to march in the parade. But it was no less significant, and so we decided that, instead, we would come together in spirit to honour and show our respect for the ANZAC men and women who have served and continue to serve.

We joined in a national initiative called 'Light up the Dawn'. This meant we all got up early, and at 6am we stood in our driveways holding candles, along with others in our street and around the country. Some of us also watched or listened to the streamed Dawn Service from the Australian War Memorial.

With special thanks to Mr Hood and all who took part.
