School Philosophy

Rationale:

CSPS Mission Statement

At Caulfield South Primary, our mission is to empower active, global citizens, who understand that they can make a positive difference in our world.

Aim:

We aim to develop critical and creative thinkers with a high degree of resilience and empathy.

Also, in accordance with the *Education and Training Reform Act 2006* (Vic), the school will provide a secular education and will not promote any particular religious practice, denomination or sect and is open to adherents of any philosophy, religion or faith.

Implementation:

This will be achieved through challenging, concept-driven inquiry learning that promotes collaboration and learner agency.

This school philosophy will be central to all:

- school initiatives, policies and practices;
- teaching and inquiry- based learning programs;
- internal and external interactions;
- organisational structures and practices; and
- dealings with parents, the School Council and the community.

Evaluation:

This policy will be reviewed in 3 years.
